Monthly Billing Plans

Basic Plan: we bill you for hours booked at the end of the month.

Pre-paid plans are available for clients who routinely book more than 10 hours a month. We have 3 pre-paid plans available:

Pre-paid Plan A: pay for \$300 of kitchen use and receive a credit of \$30

Pre-paid Plan B: pay for \$750 of kitchen use and receive a credit of \$110

Pre-paid Plan C: pay for \$1,200 of kitchen use and receive a credit of \$240

With pre-paid plans any unused hours do not roll over to the next month. If you use more hours than the plan fee covers, then the charge for those extra hours gets added to your next month's invoice.

Food Truck Pit Stop Plan: Food Truck pit stops work very much like the basic plan, but are specific to food truck client's use of the cleaning area. A ½-hour pit stop covers washing dishes, dumping & refilling water, dumping garbage & recycling, and picking up/storing ingredients.
